

Advanced Vibration Shaker Testing

Wednesday November 4th 2026

MIRA Technology Institute, Nuneaton, Warwickshire, CV10 0UX

Introduced by NDO Consultants Ltd. in association with Data Physics UK Ltd

This seminar is aimed at previous attendees of our basic course who want to understand more about the complex control modes in addition to experienced shaker testing engineers who want to start using and understanding modes such as Mixed mode, SRS, Time Replication and combined environments.

This is also very applicable to managers and other engineers who do not necessarily carry out these tests but may be involved in their specification or the subcontracting of their completion.

We will be covering:

- Mixed Mode, Sine on Random, Random on Random and Sine on Random on Random.
- Time Replication
- Kurtosis
- SRS Shock testing (Shock Response Spectra)
- How to rate a test system for these advanced test modes
- Combined modes (vibration and temperature/humidity)
- Practical demonstrations

We have gathered together subject specialists and engineers of many years test experience, from a range of testing backgrounds.

Course fees include lunch, refreshments and full course notes the seminar cost will be £210 per delegate. The places are limited so please book early by completing and sending the attached booking form along with your payment or order number to info@ndoconsultants.com

Seminar Agenda

8.30 – 9.00	Arrival/Registration
9.00 – 11.00	SRS – Shock Response Spectra, Analysis and Control – <i>Geoff Murphy – Vibration Test UK</i>
11.00 – 11.15	Refreshments
11.15 – 12.00	Combined Environment Testing – <i>Frazer North, Nexia Scientific</i>
12.00 – 12.45	Lunch
12.45 – 13.30	Shaker System Rating – <i>Ian Strath - Data Physics UK Ltd</i>
13.30 – 14.15	Mixed Mode & SRS Control – <i>Geoff Murphy - Vibration Test UK</i>
14.15 – 14.30	Refreshments
14.30 – 16.00	Time Replication & Multi-Shaker – <i>Ian Strath – Data Physics UK Ltd</i>

Booking for One day Seminar Advanced Vibration Shaker Testing

Wednesday November 4th 2026

MIRA Technology Institute, Nuneaton, Warwickshire, CV10 0UX

Please book..... places on Shaker Testing seminar @ £210+vat per delegate.

Cost £.....

VAT (20%).....

TOTAL COST £.....
